

Jack Milroy: Cut Out

Jack Milroy: Cut Out has just arrived from Black Dog Publishing's printers in its full print run, somewhat overdue! At last it will be 'entering the book trade' to be widely distributed to bookshops in the UK and worldwide, reaching new audiences and doing what it should do in the market place.

If you would like a copy of the book signed by Jack, let us know—they are available from our office in Lambeth.

To celebrate the full delivery of copies we are sending you this pdf illustrating some recent works by Jack for you to enjoy.

At our exhibition, **Paper Matters** in May, we presented the magnificent **Pieces of Eight (by Six)**, 2016, a cut book page construction measuring 130 x 105 x 15 cm, which releases a world of colourful parrots into another world of delicious large fruit from the orderly arrangement of their former bound pages.

FNB Joburg Art Fair

8th–11th September 2017

ART FIRST is participating in the 10th edition of this vibrant contemporary art fair. It will be the fifth occasion on which we ship works from London with Art Logistics, our dependable shippers, to then enjoy bright spring days in the Highveld and the warm, festive feel of this annual Joburg event.

As always, we present **Karel Nel** and **Joni Brenner**, both key members of the Wits School of Arts. This year we are also exhibiting the photographers **Graeme Williams** and **Kim Wolhuter**, and for the first time at the fair we are showing **Jack Milroy** who has made work especially commissioned for the occasion.

We wish you a glorious summer.
